## Tennis Tip of the Month

### GET THE POINT STARTED!

Tennis players sometimes try to do way too much with a return of serve or their serve. The next tennis match you play, make getting the return in play or getting that first serve in a huge focus. You must have a plan and be proactive on the tennis court. Simply taking a little pace off returns and serves, and focusing on placement rather than

## Dear Cobblestone Homeowner,

With spring just around the corner, we wanted to remind you that we are proud to offer our residents in Cobblestone Park, landscape and lawn maintenance. We have a great program that many of your neighbors already take part in. It includes mowing, edging, weed eating, and blowing every week. Also, we trim bushes as needed and spray for weeds in the landscape beds. We also put out fresh pine straw, seasonal flowers, and perform irrigation repair for an additional charge.

In addition to the above, we have a separate Spray weeds/ Fertilizer program for the turf areas in your yard that we prescribe proper fertilizers and weed killers to keep your lawn beautiful year-round for a great price.

Let us help you to have one of the better landscapes in the neighborhood. If you are interested in our services and would like to talk, please contact David or Bobby.

### GOLF NEWS

## Golf Tip of the Month

### HIT AN ACCURATE FLOP SHOT

In order to hit an accurate flop shot, slide the clubface under the ball, and have the clubhead pass the shaft at impact. "It's important to set the clubface open at address (pointing right
