Cobblestone Park's Christmas Craft Show

Saturday, November 20 ■ 10 a.m.-4 p.m.
Amenities Center Gym

We are excited to host our eighth annual Christmas Craft Show. Registration is open for anyone who would like to set up a booth and sell your crafts. If you have creative talents for building, creating, baking, or have something to sell, we invite you to join Cobblestone Park in showcasing your special talents.

You don't have to be a member or resident to participate in this event. It's a great way to make extra money for the Christmas season and a great place to buy your Christmas gifts! For more information and to register, contact Sandra at 803-714-2609 or email sholloman@cobblestonesc.com. The cost for your booth area, if you provide your own table, will be \$20 and \$32 if you need to rent a table from us. We look forward to selling a lot of crafts and having lots of fun in the process!

If you're not selling crafts, please come out and support these vendors. There will be something for everyone on your Christmas list.

November Golf Tip: Practice & Play with Soft Hands

We have all heard the term "soft hands" and to grip the club like you are holding a baby bird. Not so tight that you will hurt the bird, but just firm enough where the bird won't fly away. Those words will always hold true. When we grip the club with too much pressure, it not only restricts your swing, but it also doesn't allow your hands to work and move properly throughout the golf shot. So, make sure you practice and play with soft hands, and you will get the sensation of swinging with less restriction, better feedback, and purer shots.

See Mike or Shane for just a tune up or something more. 803-714-2620.
